## WELCOME FROM THE CONVENORS

---

On behalf of the organising committee, we would like to warmly welcome you to Fremantle for the Annual Scientific Meeting of the Australasian Diabetes in Pregnancy Society (ADIPS).

We are delighted to welcome our keynote speaker Tine Clausen, Associate Professor at the University of Copenhagen whose research interests focus on the management and implications of diabetes in pregnancy.

We also look forward to hearing from other internationally renowned speakers covering diverse aspects relevant to caring for women with diabetes in pregnancy and are grateful for the time and expertise they are contributing.

In addition we look forward to oral and poster presentations of original research.

We are grateful to our sponsors and for the support of the ASN events team and the valuable advice of our executive officer Suzie Neylon.

We hope you will find new insights useful for your work and enjoy time spent with colleagues
